CARTE POSTALE. POSTKARTE.

By Appointment.

Entrance to St. James's Palace The well-known old red brick entrance looking up St. James's Street and no less historically interesting than outwardly beautiful. The fourth picture of Hogarth's "Rake's Progress" shows the Gateway as it was in 1735. The Palace, into which Henry VIII converted a Hospital that he suppressed, still commemorates that King and Anne Boleyn by the "love-knots" nearly obliterated on the side doors of the gateway and by the letters "H.A." above the chimney-piece of the Presence Chamber.
